To the Citizens of Eastham:

Reports from the Cape Cod Planning and Economic Development Commission, the Barnstable County Health Department, and the American Cable System are on file with the Town Clerk and available for your perusal should you wish to read any of these documents on C.C.P.E.D.C. or B.C.H.D. services for Barnstable County or American Cable Systems service to the lower Cape Area.

BOARD OF SELECTMEN

REPORT OF THE BOARD OF SELECTMEN

This year's report for calender year 1985 is filled with a variety of subjects, most of which are integral in this Board's never ending policy of controlled growth, methodical planning and sound fiscal administration. Heading the agenda of accomplishments this past year were the signing of a contract with SEMASS, a resource recovery system for our garbage from the Disposal Area, the progression towards a Regional Septage Treatment Facility to be constructed in Orleans, for the use of Orleans, Brewster and Eastham and finally, after several years we secured approval of the Commonwealth of Massachusetts Department of Public Works to reduce the amount of salt and chemicals used in treating the State Highway making Eastham a test area in the State for this project. These three projects have been on the Board of Selectmen's priority list to protect our single source aquifer and provide future generations in Eastham with the good, clean water that we now have and enjoy. Along these lines, an Eastham resident, Dr. Joseph Moran and several volunteers under this direction, have been conducting a Ground Water Study primarily studying the sodium and nitrate concentrations of our ground water supply.

This past year saw the computerization of Town Facilities and records, which will eventually include all Town Departments. To date, this addition to our existing procedures, has proven to us the savings the town will realize, as well as increased efficiency. Our sincere thanks and appreciation to Tom Johnson, the Chairman of our computer study committee, for without whose professional knowledge, experience and long hours of programming, instruction to our employees, this system could not have been as productive as it presently is.

In any calender year, the everyday events blend together, and when reviewing the year for the writing of this report we can only list the highlights. These also include the forming of a study committee to form a Housing Authority to deal with reasonable housing costs for our residents, the establishing of a Historic District Study Committee, an Open Space Committee, and discussions with Cape Cod National Seashore regarding future land exchange.

In the near future we anticipate the construction of both the SEMASS Facility and the three town Septage Facility, reconsideration of the Cape Cod Regional Transit Authority for our town and additions to our Library, the Department of Public Works Garage and to the Elementary School.

You can see that our duties are many faceted. We feel that we have guided Eastham this past year in a diligent and responsible manner. Always remember that we consider your interests above all, and we work for you. In order to serve you properly, we need your input and responses. Don't be strangers let us know your opinions.

Rudolph E. Zannoni, Chairman
Howard W. Quinn
Ralph L. Earle, Sr.

BOARD OF SELECTMEN

REPORT OF THE BOARD OF ASSESSORS

Once again, because of Chapter 797 of the Acts of 1979, Eastham underwent a State mandated revaluation of all properties in the town to bring them up to 100% full and fair market value. We achieved certification on October 28, 1985 by the Department of Revenue, after almost a year of work by The United Appraisal Company of Hartford Connecticut.

November 25, 1985 the Board of Selectmen held a public hearing in accordance with Chapter 369 of the Acts of 1982 on the issue of allocation the local tax levy among the five property classes, which are as follows: Residential, Open Space, Commercial, Industrial and Personal Property. At this hearing, the Board of Assessors provided information to those present on how the new total valuation of \$468,783,853 could be divided into two tax rates, one for Residential and Open Space and another for Commercial, Industrial, and Personal Property. The Board of Selectmen decided to set one tax rate of \$7.00 per thousand for all five classes of property: However, the people at the meeting requested the Board hold a non binding vote on the ballot of the next annual town meeting to decide whether the town should set one or two tax rates. The Board of Selectmen voted in favor of their request.

This Board is fortunate to have a very fine staff which consists of an Assistant Assessor who is a Massachusetts Accredited Assessor, a full time Assistant Assessor's Clerk and a part time Assistant Assessors Clerk. They are all very capable of handling the very heavy work load, which includes processing approximately 800 property transfers, as well as many subdivisions each year. After processing the 1984 subdivision plans, we have approximately 6,000 parcels. All the information regarding these properties must be kept up-to-date in order to serve, you, the taxpayers of the town. It is you whom they and we serve, as your obedient servants.

Howard W. Quinn, Chairman

Rudolph E. Zannoni

Ralph L. Earle, Sr.

REPORT OF THE BOARD OF HEALTH

The Board of Health of the Town of Eastham is comprised of the three Selectmen, assisted by the Building Inspector who also acts as Health Agent. None of these is a professional in the field of Public Health.

To remedy this handicap, the Board draws upon the expertise of local professional volunteers, contracted services such as those provided by professional engineering firms and by the Wellfleet Home Health Agency, and certified professionals in the employ of the County Board of Health, and in some cases, our own Natural Resources Officer. In environmental matters, input is obtained from our own Conservation Commission.

Regulations have improved the preservation of environmental quality including Board review of every application for well locations, water quality and sewage systems for every new habitable building in the Town. Certificates of registration of all rental premises are aimed at the prevention of overcrowding and the resulting over use and possible failure of household sewage systems.

Our sanitary landfill area is almost entirely filled and our consulting engineers are working on an interim solution to the problem as well as a long term one. We have asked D.E.Q.E. to stack detritus to a higher level than our present approved plan permits. Final contracts have been signed with SEMASS and we are negotiating for Off-Cape transport of detritus to an energy resource recovery plant under a long term contract.

The Board is grateful for the assistance and cooperation of the many agencies and personnel who have contributed to our well being.

Report of the Town Accountant

Honorable Board of Selectmen:

I wish to express my gratitude to your Board and the various Town boards, departments, and citizens for their continued support of my office. The on-going process of automating the functions and records of the Town is taking a great deal of time, but the outcome has been rewarding. I especially commend the efforts of Patricia McKenzie, the Assistant Assessor, who did a wonderful job in adapting her records to computerization, thus allowing the calculation and printing of tax bills to take place in-house as soon as the tax rate was set by the Bureau of Accounts. Aside from being a fulfilling accomplishment, this effort resulted in a great monetary savings to the Town.

Most especially, I wish to extend my gratitude to Tom Johnson, Chairman of the Computer Study Committee. He has put in countless voluntary hours aiding and guiding the Town in the electronic data processing which has been accomplished to date...his expertise and unselfish giving of his time has been the mainstay of our progress. Thanks to Tom must also include his wife and children who have not grumbled at the long hours he has spent at Town Hall.

There is still much work to be done in the computerization of all Town Records and functions; however, in less than two years we have come a long way and produced amazing results. Aside from the monetary savings, many of the functions are now more efficient and effective. The support of the taxpayers of the Town in allowing these steps to be made is most appreciated.

In addition to the work on computerization, this office has been busy converting the Town's financial records to the Uniform Municipal Accounting System which was devised by the Bureau of Accounts. This system brings the accounting methods for the Town more into line with generally accepted accounting practices, thus providing the opportunity to account for and produce reports of the Town's financial posture which are more meaningful in the accounting world and in the bonding field.

In accordance with Chapter 41, Section 61 of the General Laws, and in accordance with the General By-Laws of the Town, I submit a financial report of the Town for the financial year ended June 30, 1985, and a listing of all unexpected balances of appropriation accounts as of December 31, 1985, in the following format:

Schedule A - Balance Sheet

Schedule B - Debt Account

Schedule C - Summary of Receipts

Schedule D - Summary of Appropriations and Expenditures

Schedule E - Appropriation Balances as of December 31, 1985

Respectfully submitted,

Carolyn C. Gifford
Town Accountant

Report of the Eastham Forum

Over the past year, Eastham Forum has met once a month at meetings open to the public. We covered such topics as our sole source aquifer, our growth, the town meeting warrant, candidates for local office, erosion, and new ideas in composting. We rode a bus to lobby in Boston for the Land Bank Bill, helped prepare for Hurricane Gloria, helped organize a task force for whale strandings, and helped collect hundreds of water samples for Dr. Joseph Moran's water study. We have given a prize to a high school student, and we have sponsored a member in a college-level planning course.

We look to Eastham's future and invite you to join us.

Catherine Barton, President

Report of Area of Critical Environmental Concern Committee

The Eastham ACEC Committee has been dissolved after successfully bringing to fruition the designation of part of Eastham for this environmentally-sensitive denomination.

On October 11, 1985, Secretary James Hoyte stood on First Encounter Beach and announced the designation as follows:

"Following an extensive process, including nomination by a variety of local governmental bodies, many informal meetings with local groups, a public information meeting, a public hearing, and a formal evaluation of all assembled data, I the Secretary of Environmental Affairs, hereby designate a portion of Cape Cod Bay, tributaries and adjacent uplands in the towns of Eastham, Orleans and Brewster as an area of Critical Environmental Concern (ACEC) pursuant to the authority granted to me by the Great and General Court of the Commonwealth of Massachusetts.

"This area represents a unique and valuable resource worthy of the highest level of protection of its environmental and economic resources.

hereby find that the wetland resources of the designated area are significant to flood control, the prevention of storm damage, fisheries and protection of land containing shellfish.

"Further, this designation supports the economy of the area by protecting the renewable shellfish and finfish industry and maintaining the visual and environmental attributes necessary for aquatic and land-based passive recreation."

The area so named is that which lies at or below the 10' contour on the bay side of Eastham from First Encounter Beach to, but not including, Rock Harbor.

Catherine Barton, Chairman

Report of the Eastham Open Space Committee

This committee, working under the Conservation Commission, has completed the update of the Open Space Plan. We established these goals:

1. To encourage sensitive growth in Eastham.
2. To protect and conserve Eastham's water resources.
3. To preserve Eastham's open space and natural resources and encourage respect for, and appreciation of these amenities.
4. To encourage interest in, and protection of the historical values of the town.

We also recommended objectives and specific actions to accomplish the goals. We hope to see the plan carried forward. Copies are available in the library and the Conservation Commission office.

The next step for us is to acquire land for water recharge, and for groundwater protection, and/or to preserve our natural resources, and we hope to gain town support for this at the May town meeting.

Catherine Barton, Chairman

Report of the Police Department

To the Board of Selectmen
Town of Eastham, Massachusetts

I hereby submit my report of the activities of the Police Department of the
Town of Eastham.

FIRE PREVENTION TALKS	3
TOTAL	715

IN 1985 COMMERCIAL DEVELOPMENT ROSE NOTICEBLY ESPECIALLY IN THE ROUTE 6 AREA IN THE NORTH PART OF TOWN. BECAUSE OF THIS GROWTH, WATER SOURCES CAME UNDER SCRUTINY. THE TOWN WAS ABLE TO ACQUIRE 6, 10,000 GALLON STORAGE TANKS FROM THE ARMY NATIONAL GUARD, LOCATED AT CAMP EDWARDS. THESE TANKS WILL BE STRATEGICALLY LOCATED THROUGHOUT THE HIGH HAZARD AREAS, AS A STATIC WATER SUPPLY SOURCE. THE TANKS WERE SECURED THROUGH THE COOPERATIVE EFFORTS OF FIREFIGHTER GLENN OLSON, CAMP EDWARDS AND THE OFFICE OF SENATOR PAUL DOANE.

IN MAY 1985 THE TOWN MEETING APPROPRIATED MONEY FOR THE FIRE DEPARTMENT TO PROVIDE 24 HOUR COVERAGE, WITH THE HIRING OF TWO NEW MEMBERS. THEY ARE FIREFIGHTER/EMT-A GARY BURNS AND FIREFIGHTER/EMT-A MICHAEL PACKETT THIS HELPED TO MEET THE OVER ALL INCREASE IN FIRE AND RESCUE SERVICES DELIVERED TO THE TOWN.

SPECIAL TOWN MEETING IN OCTOBER APPROVED A TRANSFER OF FUNDS FROM THE REVOLVING AMBULANCE ACCOUNT, FOR THE PURCHASE OF A CLASS I, ADVANCED LIFE SUPPORT VEHICLE. THIS IN KEEPING WITH OUR PROGRAM TO USE THE REVENUE BROUGHT IN THROUGH THE AMBULANCE BILLING TO DEFRAY THE COST OF OPERATION. THIS YEAR THE REVOLVING AMBULANCE ACCOUNT PAID FOR THE ENTIRE REPLACEMENT VEHICLE, THUS ELIMINATING THE NEED FOR RAISING ADDITIONAL FUNDS AT TOWN MEETING.

THE CALL FIRE DEPARTMENT AND RESCUE MEMBERS CONSIST OF 21 MEN AND WOMEN, THEIR CONTINUED SUPPORT AND EFFORTS ARE GREATLY APPRECIATED AND NECESSARY FOR EFFICIENT OPERATION.

THE FIRE DEPARTMENT APRECIATES THE ONGOING SUPPORT FROM THE PEOPLE OF EASTHAM. THANK YOU.

RESPECTFULLY SUBMITTED,

JACK AUSTIN
CHIEF OF THE DEPARTMENT

Natural Resources Department

This year will long be used as a standard for its excellent scallop season in Town Cove. The area was opened on 1 November and the fishing continued on a commercial scale through the winter months. Many recreational fishermen filled their freezers and stopped fishing while a dozen commercial boats harvested the remaining stocks. The outlook for next year is not as promising, however.

The quahog population continues to be consistent, with several areas supporting sizeable quantities of juveniles.

We were again able to enjoy the benefits of relaid oysters from Mount Hope Bay and Oyster Sunday was a success. In fact, oysters were available through the winter months until April.

For the first time in the history of the Town, an area has been classified closed by the Commonwealth for the taking of shellfish, the result of bacterial pollution. Hatches Creek is presently under a closure from Route 6 to Cape Cod Bay. This closure is representative of many on the Cape in recent years, the end result of overdevelopment. We are presently working toward a solution to this closure and examining methods to minimize the impact of development on the shellfishery.

Shellfish permits were issued as follows:

A total of 2,413 permits were issued: taxpayers; 28% to tenants or families renting in Eastham; 4% were issued to nontenants; 5% were issued to commercial fishermen; 12% were issued free to residents over 65 years of age.

The herring run at Herring Pond underwent major renovations during the Fall. The wooden bank protection was replaced by a concrete sluiceway. The design and concrete forms were supplied by the State Division of Marine Fisheries, and the Natural Resources Department completed the work as the weather allowed. This improvement will allow easier movement into and out of the pond for the herring, especially during times of lower pond levels.

Despite an exceptionally wet month of August (13.8") the rainfall for the year was below average, and ground water is somewhat below normal.

A year long comprehensive study of Great Pond was begun this

summer in an effort to determine the pond's overall health. The funds for this study are provided by the State and the Town under the Clean Lakes Program. The results will lead to possible measures which may be taken to improve the condition of the pond.

Our thanks to all those who assisted us during the course of the year.

Respectfully submitted,

Henry Lind
Natural Resources Officer

Report of the Department of Veterans' Services

TO THE HONORABLE BOARD OF SELECTMEN
AND CITIZENS OF THE TOWN OF EASTHAM

The Department of Veterans Services provided entitlements to all those Veterans, their spouses, and dependents who were eligible and asked for aid under Chapter 115 M.G.L.

We were also able to help in filling claims, appeals, medical reports, and help in locating lost documents, filling out the new E.B.R. forms for Veterans and families receiving compensation, pensions, D.I.C., and other government entitlements.

This office has been active in all Veterans affairs and will continue to keep abreast of all new legislation which may have a bearing on any Veterans services or benefits.

This was my first full year as your Veterans Agent and I would like to thank the Board of Selectmen for allowing me the latitude needed to perform my duties in a professional manner.

Also the offices of the Town Accountant and Treasurer for the assistance given to me which enables me to expedite matters smoothly.

This office also serves the towns of Harwich and Wellfleet.

We are located in the Harwich Town Hall. Please call for an appointment in order to insure prompt attention, telephone 472-1083.

Respectfully submitted,

Norman E. Gillis
Director-Agent
Veterans Service

Report of the Building Inspector

1985 was another productive year with an increase of \$13,723,600.00 in assessments.

We issued 416 building permits for a total of \$30,046.00. New homes accounted for 166 of these permits, and 250 were issued for additions and alterations.

We issued 181 septic permits for a total of \$3,680.00

We witnessed 209 test holes with an income of \$3,146.00.

We did 45 reinspections with an income of \$380.00. For the year we had a total of 1,557 inspections.

Our total income was \$37,252.00. The calendar 1985 budget totaled \$29,554.29, showing a profit of 7,697.71.

All of the inspectors and our half-time secretary have each aided me in turning this Department from a costly unit into a self-financing department.

Respectfully submitted,

John H. Alexander
Inspector of Buildings
Health Agent
Zoning Commissioner

REPORT OF THE ARCHIVES COMMITTEE

The Archives Committee continued its program of conservation of manuscripts that records the town business of Eastham in the 19th century. These have been deacidified and packaged in neutral clear plastic. There still remains a considerable body of this manuscript material that your committee intends to have conserved in the near future. The committee joined with the Town Clerk in 1985 to have the Town's Vital Records microfilmed which should both save the records wear and tear and also preserve a duplicate of what can never be replaced.

The members of the committee again assisted the Town Clerk to answer genealogical inquiries and by indexing early vital records.

Mrs. Charlotte Galli resigned from the committee during the year.

Respectfully submitted,

Abner K. Pratt 2nd, Chairman

Aline VanHouten

Report of the Plumbing Inspector

In 1985 we issued 285 permits, collected \$11,526.00 and have made 416 inspections.

Three mornings each week we have been available at the Town Hall to issue permits and answer questions pertaining to the State Plumbing Code.

Respectfully submitted,

Grafton Meads, Plumbing Inspector

George Ryan, Assistant Plumbing Inspector

EASTHAM COUNCIL ON AGING

The Eastham Council on Aging, representing the 1532 Eastham residents who are over 59 years of age, has been an active force since 1974. Its Board of Directors has eleven persons who are appointed to the unpaid positions by the Selectmen. The Council's daily activities, located in the basement of Town Hall, are under the superb supervision of Sandy Szedlak, Director, Gurlie Velandar, clerk, Cecille Carpenter, Community Liaison, and Vera Matousek, Senior Aide.

A new addition to the staff is Luanne Dupree, Director, Lower Cape Adult Day Center, temporarily located in the United Methodist Church. Joyce Fisk is her home health aide and Marie McWilliams is her Senior Aide. The Day Center will be a permanent feature of the new Council on Aging Center, the shell of which is being constructed on Nauset Road by the hard working, selfless Friends of the Eastham Council on Aging. The Friends who ardently support the works of the Council have acquired about \$145,000 in donations, pledges and memorials toward the over \$220,000 construction cost of the to-be-unencumbered Senior Center. Among their most successful fund raising efforts is the popular Thrift Shop in the historic building (corner of Oak and Massasoit Roads) loaned to the Friends by Donald and Virginia Delaney.

The Council alerts Eastham Seniors of its work through its newsletter "Windmill Whisperings" which is financed by contributions from Eastham businesses. Council programs and activities are also publicized by generous local news and radio media.

The following listing of activities and services are all made possible by the countless hours of time offered by volunteers, whom we wish to thank through this report.

TYPE OF SERVICE	SERVICES RENDERED
BLOOD PRESSURE CLINICS	894

Finance Committee

To the Residents and Selectmen of the Town of Eastham:

During the past year, the Finance Committee has met on the third Thursday of each month to transact the business before the board and be available to any town department or citizen who might have questions. The Committee has also held many additional meetings to review budgets and articles and make its recommendations for the Annual Town Meeting and Special Town Meetings.

We have continued to work closely with Town Officials and Department Heads to maintain financial stability and prepare for the anticipated capital expenditures of the future. We have also endeavored to keep abreast of the work of the many committees charged with studying future needs of

the town. The progress of Semass has been of particular concern to us. We feel that all of these projects are important to the financial future of the Town of Eastham.

The Finance Committee would like to thank all Departments, Town Officials and Employees of the Town of Eastham for their cooperation in the preparation of the budget.

I wish personally to thank each of the members of the Finance Committee for the many hours of work devoted to the Town of Eastham.

Respectfully submitted,

Prudence A. Kerry, Chairman
Robert Lunt, Vice-Chairman
Talcott Griswold
Thomas L. Masterson
Anthony Pierantozzi

Ellen Covell, Secretary
Ann Fowler

Charles Chilson

Board of Appeals

The Board of Appeals submits the following statistics and comments relative to activities for 1985:

Number of Appeals -	18
Number Granted -	11
Number Denied -	3
Withdrawn w/o Prejudice	4

During the past year, the Board of Appeals experienced some changes enabling it to enhance the objectivity, thoroughness and effectiveness of the Board.

During 1985, we lost both Alvin H. Behrer, Jr., former Chairman, and Mary VanRyswood, two dedicated and devoted people to whom we say thank you.

Respectfully submitted,

V. A. Perperian, Chairman

REPORT OF THE PLANNING BOARD

Our regular meetings each month resulted in ten hearings for subdivisions creating 90 new lots. In addition there were two hearings for the creation of new roads only without creation of new lots. A total of 46 "Approval Not Required" plans were signed creating another 120 new lots.

Seventeen special meetings were held to continue work on the proposed zoning amendments and matters related thereto. After receiving a first draft in March we completed review, questions and additions in June and gave this document to our consultant. As of this writing we are awaiting the second draft. We have continued discussion on matters such as: revisions to the sign code, our Rules and Regulations, criteria for road acceptance and home occupation guidelines. When our work on proposed zoning is finished, we plan to have informal meetings with all groups in Town prior to conducting the legally required public hearing. It should be noted that the new zoning by-law will be installed on the Town computer to facilitate future changes and to provide in-house production of copies as necessary.

In April, the Board held a hearing for the Flood Plain Zoning By-Law. This was adopted at the annual Town Meeting and is now in force. We held one meeting with members of the Eastham Forum and discussed special permits. This subject will be discussed in greater detail early in the coming year. Also, another informational meeting with the Forum will be held in February.

We accepted the resignation of Nathan Nickerson III with much regret and welcomed new member James Badera, unanimously appointed at a joint meeting with the Board of Selectmen in July.

Respectfully submitted,

Richard H. Nickerson, Chairman
Frank Schumann, Vice Chairman
Charles N. Deane, Clerk

Susan B. Horton
James A. Badera

Report of the Personnel Board

1985 was not a banner year for the Board which fell short of its performance expectations. Lack of attendance, resignations, and for part of the year attempting to function with less than a full Board of five members took its toll.

The resignations of Harris Adams and Patricia Eagar were reluctantly accepted. New members Dave Willard and Ken Collins were welcomed. Their contributions and willingness are already felt as a sign of revitalization for the board.

The Board accepts 1986 as a challenge to address many issues including the Federal Fair Labor Standards Act. Members of the Board will meet with Town Employees at regularly scheduled meetings.

In addition informal outreach to Town Employees will be put into effect so their needs, suggestions and questions may be promptly addressed

We wish to express our appreciation to our secretary, Marie Meeker.

Joseph Rafalowski, Chairman

Report of the Gas Inspector

During the year 1985, I issued 85 gas permits and made 114 inspections.

My total receipts for 1985 were \$1,598.00 with expenses of \$1,575.00.

Respectfully submitted,

George F. Ryan
Gas Inspector

REPORT OF THE BOARD OF HIGHWAY SURVEYORS

Once again we are pleased to report to the people that, Maintenance continues to be the important factor of the work of the Public Works Department. The Sanitary Landfill, the roads, the beaches, the parks, the cemeteries and the harbor are all under this departments schedule and in the winter, sanding and snow plowing.

Two more important pieces of equipment were updated this year, the pickup, and another truck, as were the radios. We are now in direct communication with each truck, the Highway Barn and the police dispatcher. This proved very effective during Hurricane "Gloria", when each unit was dispatched expeditiously to problem areas. It also saves time and money, dispatching at other times.

There are three more areas needing our attention. We need more room at the Barn. We must provide space to put each piece of equipment in under cover, and the town has appointed a committee to look into an addition. We need a street sweeper. We now have over 60 miles of roads that are sanded once or more during snow storms. This sand needs to be removed for safety reasons. We need a barn to put this equipment in, and we need one more person in the department. We have more mileage, we need more help.

And speaking of help, again, we are very fortunate to have our able crew, headed by our Superintendent of Public Works, Steve Douglas, and his able assistant Martin Mickle and their crew. Their work continues to save this town many, many dollars, in their conscientious handling of each piece of equipment and each situation, as it occurs. They are a very dedicated crew, and we thank them for a job well done.

Sincerely,

Howard W. Quinn, Chairman
Ralph L. Earle, Sr.

Rudolph E. Zannoni

HIGHWAY SURVEYORS AND DIRECTOR FOR PUBLIC WORKS

REPORT OF THE INFORMATION BOOTH

The Information Booth once again had a successful season and was a very active place all summer. Each year our number of visitors increases for all types of information. For example in the year of 1967 our booth had 11,715 visitors in a 105 days of operation. We have a hard working staff who are dedicated to their tasks..We would like to remind all Eastham citizens with brochures, rentals, or other descriptive material of their services to please bring a supply to the booth so we can properly serve you.

Respectfully Submitted,

Frank Schuman, Chairman
Marcia Nickerson
Elsie Bengston

Milton Brown, Vice Chairman

M. Jean Harrington

INFORMATION BOOTH OPERATING COMMITTEE

Report of the Handbook Committee

The Eastham Vacationist's Handbook Committee spent the first several months of the year soliciting ads and developing the test for the 1985 guide. This is the continuation of a tradition which began 31 years ago.

Approximately 26,000 booklets were distributed throughout the summer season by the Information Booth, the Town Hall, and local merchants. Visitors to Eastham find that this Handbook is a useful tool in assisting them with activities and services during their vacation.

The Eastham Chamber of Commerce will be taking the responsibility for the publication of the Handbook for the 1986 season. The Town's involvement in this undertaking ceases with the present 1985 edition.

Respectfully submitted,

Sandra Szedlak
Claudette Gosselin

Conservation Commission Annual Report

The Conservation Commission's workload directly reflects the increased building activity evident in Eastham. The Commission regularly conducts hearings on the first and third Tuesdays of the month. Additional hearings are held as needed to meet the requirements of the timetable set forth in the General Laws. Prior to each hearing an on-site inspection is conducted by members of the Commission. Each individual application is carefully and thoughtfully deliberated before a decision is reached.

The Commission is pleased to announce that the Area of Critical Environmental Concern project, in which we were joined by the towns of Orleans and Brewster, was successfully completed on October 11, 1985 with the official designation being promulgated by James S. Hoyte, Secretary of Environmental Affairs for the Commonwealth. Also, the Open Space Plan was reviewed and updated. Both of these activities represent long and arduous efforts by the members of these voluntary Ad-Hoc committees.

The members of the Commission continue to improve their qualifications by attending courses of instruction at the Cape Cod Community College and the Museum of Natural History as well as by attending meetings of the Cape Cod Coalition of Conservation Commissions, the Massachusetts Association of Conservation Commissions, WHOI, and the Cape Cod Conservancy District.

On the local level, the Commission has participated with the Orleans and Brewster Conservation Commissions in a review of the proposed tri-town septage treatment facility. Attendance has also been made at meetings of the Eastham Board of Health and Eastham Planning Board whenever subjects within our jurisdiction have been scheduled.

REPORT OF THE BOARD OF LIBRARY TRUSTEES

One hundred and seven years of operation and growing reflect the interest, enthusiasm and support of the townspeople for the Eastham Public Library.

The depth and choice of book selection continue to grow and evoke the praise of the increasing number of library users, under the talented guidance of Jane Eldridge, our librarian. This growth prompted the hiring of Assistant Librarian Linda Barnard, who began her duties on July 1, 1985. Her enthusiasm and abilities have allowed a reorganization and additional programs in the children's and young adults' sections in the Merrill Room as well as providing much needed professional help upstairs.

A memorial trust fund in memory of Gertrude P. Zollinger has been established during this past year and a memorial fund in memory of Thomas R. Cawley will be set up in the spring of 1986. In addition, the library has received a new flagpole and flag, the generous gift of Mrs. Shirley E. Mather in memory of her husband, Lewis Samuel Mather. For all of these contributions to our library, the trustees are extremely grateful.

The librarian and assistant librarian work with a devoted staff of volunteer help. They were sorry to lose the services of Jenney Mahoney and Edna Pease, who retired from library work following ten years of voluntary services to the library.

Two new trustees were elected during the year replacing Abner Pratt, who retired, and Jim Hartgering, who had temporarily replaced retiring board member Beth Bishop.

The trustees are continually grateful for the strong support of the Friends of the Library. Their contributions of time, books, and items such as shelving, labels, floor mats, and some plantings around the building this year provide us with many necessities vitally connected to the day-by-day operation of the library.

The library's year of 1985 ended with exciting plans from the Eastham Public Library Building Committee, enthusiastically supported by staff, trustees, and the Friends of the Library, for imperative expansion of the existing facilities to accomodate our continued growth. The need for more space, blatantly apparent over the past few years, bears eloquent testimony to the growing community appreciation, use and commitment to the Eastham Library.

Respectfully submitted,

Don Sparrow
Winifred Franklin
Don Bishop

Report of the Eastham Building Needs Committee

Since the last library expansion in 1961, our year-round population has more than tripled and library circulation has quadrupled. A building which was satisfactory in 1961 is now badly crowded. Twenty years hence (our planning time frame) it will be totally inadequate.

At least one-third more floor space is needed right now to meet minimum American Library Association standards for a library serving a population the size of ours. Based on projections of Eastham population and on increasing community use, both winter and peak summer, by the year 2005 our library will have to be double its present size. We need more space for book storage, for reference books, for browsing and adult reading, for young adult and children and for audio visual facilities.

Not only is the space for public service areas (described above) insufficient, but also the room for staff functions. Library users, based on our recent survey, believe that the staff has done an outstanding job though burdened by limited facilities. At present all cataloging, indexing, receiving, in-process book storage, staff room, secretarial and librarian's office are housed in one small basement room. The physical plant is not sufficient for even the 1985 demands - furnace room, janitor's room, storage for maintenance and library supplies, etc. There are no provisions for the handicapped, either access or sanitary installations.

To accommodate all of these needs for the next 20 years the existing 3000 square feet must be increased to a total of at least 6700 square feet. This will provide for the ALA **minimum** standards based on the estimated 2005 service population (9500 vs. the 1985 figure of 6550). An addition will be integrated with the existing structure and, because of the sloping terrain, continue to provide services at two levels.

In view of the present and projected space requirements, we strongly recommend that the Eastham Public Library be expanded as outlined above.

Respectfully submitted,

Donald Sparrow, Chariman
Ardeth Sander
Audrey Butler
Robert Seay

REPORT OF THE EASTHAM NON-RESIDENT TAXPAYERS ASSOCIATION

The Eastham Non-resident Taxpayers Association, Inc. (ENTRA) is a non-profit corporation organized for the purpose of working toward the betterment of the Town of Eastham by cooperating with Town Officials and other citizen groups. All Eastham non-resident property owners and thus taxpayers are eligible for membership. In 1985 approximately half of the non-resident property owners are members. Residents of other areas in Massachusetts are by far the largest group of members though half of the other states are represented as are most of the Canadian Provinces.

This group has provided a large portion of direct and indirect financial support to the town so one of the objectives of this organization is to present the desires and opinions of the group to the Town Officials, commissions and civic groups in an organized manner. In return, the town Selectmen and other officials have given us audience, information and have reacted favorably to our interest when circumstances permitted.

The Selectmen and other town officials have been very cooperative

and generous with their time to attend the Association's regular meetings, listen to and answer questions from any Association member.

During 1985, the Association members participated in a beach clean-up project, worked with the Conservation Commission, the Eastham Library and the Council on Aging including their building fund among other endeavors.

The Association appreciates the willingness of the Selectmen, Department heads, Police and Fire Departments personnel for the cooperation and courtesy given to the non-resident taxpayers. In addition, several of them gave time and effort above and beyond that required by their town positions for the advancement of our organizations during 1985.

In 1986, the Association's regular meetings will be held at the Town Hall at 8:00 P.M. on July 12 and August 23.

Officers for 1985/986 are:

Joseph Oneschuk, President
Hector Robitaille, Vice President
Katherine Burrows, Secretary
O. Mason (Sam) Burrows, Treasurer

REPORT OF THE BEACH STICKER COMMITTEE

There was an increase in usage of all town-owned beaches this year over that of last year. The tally of cars using our parking lots showed an increase of almost 45,000 vehicles. The weather this year was good beach weather.

First Encounter continues to be our most active beach area, followed by Campground, Wiley Park, Cook's Brook and South Sunken Meadow. Warm summer evenings also finds these areas almost full again, as people enjoy watching the sunset over the water. In not many places can people watch the sunrise out of the ocean, and set over the bay as they can on Cape Cod.

Once again, we wish to thank all our personnel in this department. Our beach checker people and the people in the Information Booth are our front line of greeters to our visitors, and the maintenance crew are the unseen and unsung heroes.

Finally, we again remind all taxpayers it is not necessary to replace your sticker unless you replace your current vehicle.

Respectfully submitted,

Rudolph E. Zannoni, Chairman
Ralph L. Earle, Sr.
BOARD OF SELECTMEN

Howard W. Quinn

Annual Report of the Eastham Elementary School Committee

This school year was marked by the building of a temporary extra classroom to help alleviate the school's crowded condition.

The Space Needs Study Committee which was appointed last May presented to the School Committee in December its recommendations for additional space as related to the educational needs. Though the committee had only a short time to research and prepare its report, an excellent job was executed. The School Committee will now focus on a solution to the space problem.

We welcomed new members to our staff this year, and regret the retirement in September, 1986, of Rosemarie Kerwin, long-time learning disabilities teacher. The staff and children coped well with unsettled conditions during the classroom building process, and we thank them and all, including the citizens of Eastham, who contribute to the quality education of our students.

Respectfully submitted,

Marcia Nickerson, Chairman
Carolyn Ambroult
Christine Austin

Edward Murphy
John Butler

Report of the School Principal Eastham Elementary

The calendar year of 1985 proved to be a very busy one with the increasing student population continuing to utilize every available space in the building and stretching the staff to provide services to our children. The Town Meeting in May supported three very important articles for our young people. It established a Space Needs Study Committee, funded

the construction of an additional classroom, and voted money to install a handicapped platform on the stairway of the older building.

The Space Needs Study Committee, composed of James Badera, Chairman, and members Edward Murphy, A. Francis Finnell, and Daniel Shay, worked diligently to research the past, present and future needs of the school population. The results of this committee's work will be reported in next year's annual town report.

We had to say goodbye to Mrs. Kathy Meyers, art teacher, and we welcomed new staff members Miss Genevieve Kellog, grade 2 teacher, Miss Jill Kiraly, grade 4 teacher, Miss Kristine Rodanas, art teacher, Mrs. Nina Mellor, librarian substitute, Mrs. Carol Lopez and Mrs. Jane Harwood, aides, and Mr. John Custodie, head custodian.

The teachers continued to work on certain areas of the curriculum including the student report card process, the gifted and talented program in the classroom, and the implementation of the Student Study Skills and Homework policies. Professional presentations were made to the Eastham School Committee throughout the year.

Our Parents Group was very active and supportive of our school programs. They were led by co-presidents, Laura and Bill Sullivan, and Trish Riordan, secretary Miriam Brady, and treasurer Jayne Badera. Among the groups working to assist the school and provide activities for our children were the cultural events committee, the Windmill Weekend committee, the Friday Night Activity committee, newsletter, student directory, and yearbook committees. The Parents Group donated a VCR video recorder to the school. The children have enjoyed many programs during the year which are now made possible by the gift of the VCR.

I wish to thank the school's staff, the Parents Group, the Superintendent of Schools and his administrative staff, the Eastham School Committee, and the community-at-large for all you contribute to the excellence of our school.

Respectfully submitted

Daniel E. Shay, Principal

Report of the Superintendent of Schools

In this my fourth year as Superintendent of Schools, I again welcome the opportunity to thank the citizens of Eastham for your continued support of education. Herein I outline some of our activities.

This past Fall, we welcomed Thomas Ballerino as the new Principal of Nauset High School. Mr. Ballerino is an experienced administrator having served for fifteen years as a High School Principal elsewhere in Massachusetts. Also this Fall, we welcomed Paul Markovich as the new Assistant Principal at Nauset High School. Mr. Markovich comes to us from New York where he held a similar administrative position. This past summer, we saw the departure of High School Principal Frank Daly, who resigned to accept an Assistant Superintendency elsewhere in New England and Mr. Robert Milbier, who resigned as Assistant Principal to accept a similar position elsewhere in the State. This year at the High school there are a number of changes in programs and procedures. The High School Discipline Policy has been streamlined and now includes an in-school suspension program to deal with students who commit major disciplinary infractions. Communication between the High School and parents has been increased dramatically and this year, we began a practice of mailing all report cards, interim reports, a new High School newsletter and a new Guidance Department newsletter. In the months ahead, we will address a number of curriculum issues.

At Nauset Middle School, I am pleased to report that our reorganization of last year is proceeding smoothly. We continue to increase the amount of direct instructional time for students, and there continues to be an excellent educational climate.

This year at Marconi School, we have seen a significant decrease in student enrollment which in turn has necessitated the combining of staff responsibilities so as to remain fiscally prudent.

This year, at Eastham Elementary School, a Space Needs Study Committee, headed by Mr. James Badera, has reported to the School

Committee that additional space is needed due to increasing enrollment. The Town will be asked in the near future to form a Building Committee to address this crowding condition.

District-wide this year, twenty new teachers were hired and I am indeed pleased with the quality of these new employees. Coupled with our veteran teachers, I believe the Nauset Schools to have among the finest teaching and non-teaching support staff that I have seen.

A major goal this year in all schools is to address the problem of drug and alcohol abuse among students. I do not believe our problem to be greater than that of other schools, but we do have a problem. A Task Force has been formed and to date there has been one district-wide meeting and several follow-up sub-committee meetings. I am encouraged by the degree of community support we have received and working together, I am convinced that we can make a difference in the amount of substance abuse among our student population. We are reviewing our curriculum and our disciplinary policies so as to more effectively address this problem. Furthermore, we are planning workshops and training sessions to assist both parents and teachers in better identifying substance abuse and in having better knowledge as to the resources available for dealing with this problem. Substance abuse exists in every facet of our society and I am pleased that the schools are spearheading efforts to address the problem squarely.

I close my report again this year by urging all citizens of the District to be actively involved in the education of our youth. Education represents a close partnership between the school and the home and we must work together for the good of our students. With the ongoing help and support, I am confident that we can continue to provide quality education for all students.

Respectfully submitted,

Michael J. Mackin
Superintendent of Schools

Annual Report 1985

Cape Cod Regional Technical High School District

Ten classes have graduated from Cape Cod Tech since it opened in September 1975. Placement of our graduates continues to be excellent; in 1985, 75% in full-time occupations, 16% in further educations and 7% in the military. The diversity of opportunities available to our well-trained young men and women increases each year. Congratulations to all you people who created this vocational school in the early 70's.

Our Plymouth student population has grown to 180 students this year and we appreciate their attendance over the past four years as it has allowed us time to systematically reduce our student numbers in keeping with the reduced student enrollment in our member towns. Changes will have to be made over the next few years, but we are dedicated to the continuation of those vocational programs that successfully prepare graduates for their future careers.

In the spring of 1985 the Committee adopted the following programmatic changes for the 85-86 school year:

The Commercial Fishing Department was combined with the Marine Repair Department and a new Marine Technology program will be developed to better serve the Marine Industry on Cape Cod.

The two year Interior Design Department was expanded to a four year program due to increased placement demands.

Advisory committees, representing industry, were extremely helpful in these programmatic changes and we wish to publicly thank them for their efforts.

Football was added to our athletic program this year and we were extremely pleased with the enthusiastic support of the entire student body, staff members, and our loyal fans.

The Career Development Center, funded by Private Industry Council money, was very successful and we wish to thank the Job Partnership Training Act administration for this support.

Two 1985 vehicles were given to the Automotive Department for instructional purposes and we wish to thank Stagg Chevrolet Company, Warren Buick, and General Motors Corporation for these donations.

We welcomed one new member to the Committee this year, George DaRoza from Provincetown and accepted with regret the resignation of Edward Anderson who represented Chatham. We wish to thank Ed for this loyal service to Cape Cod Tech and to the town of Chatham.

We invite you all to visit Cape Cod Tech during the school day to take advantage of the services we offer in our shops. If you need assistance please call the main office at 432-4500 or 771-2600.

James H. Quirk, Chairman
CAPE COD REGIONAL TECHNICAL HIGH SCHOOL
DISTRICT COMMITTEE

Thomas A. Collins
Arthur C. Nickerson

Report of the Harbormaster

With the continued increase of boating activities at Rock Harbor, requests for slips are on the increase and the waiting list gets ever longer.

It was necessary to replace several pilings because of ice damage this spring. The bubbler system is working well this year and should help prevent any similar future loss.

In 1985 a total of \$7,680.00 was taken in from thirty eight slips and four temporary docks.

Respectfully submitted

Fred Hedlund, Harbormaster

SWIMMING PROGRAM WILEY PARK

DIRECTOR; Susan E. Kreider
INSTRUCTORS Mary Kofsuski
Patricia White
David Gill

The program started very slowly due to the poor weather at the beginning of the summer. As the summer progressed, participation increased but not to the level we have been accustomed to in previous years.

	Number of Swimmers	Number of swimmers passed
Beginners	72	27
Advanced Beginners	19	13
Intermediates	17	7
Swimmers	5	5
Advanced Swimmers	3	2
Basic Rescue & Water Safety	4	1
Advanced Life Saving	6	4
Total	126	59

The personnel this summer was very good. Lea Butkovich was once again "the lifeguard". Patty White and Mary Kofsuske returned for another summer. David Gill rounded out our toupe. Everyone did a very nice job with the swimmers. The Fun Races were, once again, a hit. Both parents and children enjoyed watching and participating in the races. The Family Picnic was held the same night. The Fire Dept. donated the trophies for the events, which are greatly appreciated. The Swim Team was a strong competitor this summer. Year after year the team works hard daily and competes 4-6 times against other swimming programs. A suggestion for

next year would be to remove the weeds in the swimming area and to repair or install new docks.

Susan Kreider, director

LITTLE LEAGUE & PONY LEAGUE

Paul Bohannon - Director

In the summer of 1985 approximately (85) boys participated in the program. There were the following leagues:

1 Minor League with 15 boys	1 Major League with 15 boys
1 Farm league with 30 boys	2 Pony leagues with 24 boys

Many thanks should be extended to the following coaches for their time and effort put in the games:

David LaBranch - Pony League	Toni Pierantozzi - Major League
Tom Hayes and Jim McMakin - Farm League	
Toni Pierantozzi and Mr. & Mrs. Andrulot - Farm Team	

SOCCER DIRECTOR - NEIL BUTLER

Clinics were held on Tuesdays and games played on Thursdays.
There were 21 - 2nd and 3rd graders
21 - 4th and 5th grader
10 - 6th and 7th graders

Some of the games were played under the lights at the Middle School. Thanks to the coaches and assistants and to Neil Butler to make a very successful year for our Soccer program.

SOFTBALL DIRECTORS

DEBBIE CLARK MAUREEN NICKERSON

Approximately fifty girls were signed up for Softball this year and thanks to all the coaches and directors for their effort. The program ran from May to September.

COACHES	Cass Kimtis	7 & 8 graders
	Susan Hall	9 & 10 graders
	Lisa Stubbs	11 & 12 graders
UMPIRES	Carl Nyman	
	David Nickerson	
	Debbie Clark	

GIRLS & BOYS BASKETBALL

DIRECTORS ROXANNE HAYES AND JON COVELL

Girls Basketball held on Monday Nights, 3rd, 4th, & 5th Graders were coached by Sue Hall and 6th 7th and 8th graders coached by Jack Dooley. Round Robin Tournament was held and clinics also held. The program continues until March. Approximately 25 girls are involved. Many thanks also to all the persons involved in this program to make it a success.

Boys Basketball is held on Wednesday Nights at the High School. There are 60-65 boys in the program. Three clinics were held before the season started. A good response from parents and boys was given. Much appreciation given to Jon Covell for his directing and coaches:

- Grades 2 - 3 Team - Pacers, coached by Allan Maletesta and John McLellen; Blazers, coached by Tom Hayes and Paul Bohannon
- Grade 4 - 5 Team - Suns, coached by Dave Brown and Scott McDonald; Rockets, coached by Lee Harworth; Cougars, coached by Cole Martin and Larry Hartung
- Grades 6 -7 Team - Warriors, coached by Brent Warren and Michael Laparta

Report of the Wellfleet Home Health Agency

After six years of continued growth, the Agency experienced a 17% decline in the total number of skilled visits. This is a reflection of stricter guidelines affecting admission criteria into all aspects of the health care system. It is the Government and businesses' intent to control and contain the cost of health care services.

The following observations were made in reviewing the statistical data of the service areas. The three services with the highest utilization rates (nursing, physical therapy, and home health aide) experienced the greatest decline in visits. In most cases, more patients were seen but fewer visits were made. Exceptions were nursing - where the number of patients served remained the same as during FY '84 - and home health aide which declined. The drastic drop in home health aide was the result of changeovers in personnel within our Agency and a drop in Medicare patients. Very few private insurances cover home health aide services. There were fewer Medicare patients as a whole and more patients seen under other payor sources. This adversely affected our financial situation as not all payor sources reimburse us at our published charges. There was also an increase in skilled visits made for partial fee and no charge.

Services showing increased utilization were speech therapy, occupational therapy and medical social work. This was the result of securing qualified personnel to provide these services. We also saw more stroke patients who required intensive speech and occupational therapy services.

Interest and participation in community programs remained high. Blood pressure attendance was the same as during FY '84. There was a slight decline in Well Child visits and people receiving the flu vaccine. Colo-rectal screening was introduced and added to our annual programs. The school program continues to be successful. Screening programs are completed early in the year allowing for prompt identification of problems and for remediation.

Increased health awareness for students and teachers has been a major goal this year. Health education has been carried out on both a formal and an informal level, based on need and interest. The school

nurse is considered an integral part of the educational team, which facilitates open communication and coordination of services to better meet student needs.

A conservative approach was taken in the development of the FY '85 budget. Zero growth was projected for visits with a decline under the Medicare program. No one anticipated the degree of decline that agencies in general have experienced. The six-month cost report indicated that our costs were higher than our charges. Steps were taken to correct this. However, the increased charges proved to be our cost at year-end. Thus, the Agency sustained a loss for FY '85.

Where is the patient in all of this? If logic were to prevail, patients would be needing more home health services with earlier hospital discharges. But new admission criteria is preventing patients from even entering the health care system. This leads to the assumption that more patients are to be found in the community. Further concern is raised as to whether these patients are receiving needed services or whether they are able to afford them. An agency needs to change its marketing strategy to include community education as to available services and how to deal effectively with the health care system. Is the Agency lost in all of this turmoil? Not if we keep in mind that we are a "people service" and that said service must be delivered bearing in mind sound business practices. It can be stated without equivocation that people and quality care are our number one goal.

As people have needs, so does this Agency. Some of those needs and recommendations are as follows: adequate housing, computer system, expansion of service area and establishment of a Friends.

This is your Agency. This is your community. In order to actualize these goals, we need your help!

Report of the Wiring Inspector

In accordance with Section 6 and 7 of the General Laws of the Commonwealth of Massachusetts, I hereby submit the following report.

During the calendar year 1985, 1097 permits were issued. Total receipts were \$16,245.00. There were 1177 inspections done during the past year and 13 re-inspections.

Respectfully submitted,

William Cook
Wiring Inspector

ROCK HARBOR STUDY COMMITTEE

This year again the need will increase for more dockage space. The town must also keep in mind that Rock Harbor will again need dredging in the future. The committee will continue to work toward its goal of improving and enlarging the marina, hopefully with the help of Federal and State Funding.

Respectfully submitted,

Charles E. Miller, Chairman

Housing Authority Study Committee

The Housing Authority Study Committee was charged by the Town Meeting to find all information possible on Housing Authorities and make a recommendation as to whether having a local Housing Authority was in the best interest of the Town.

Committee was composed of: Helen Whitlock, Cliff TenBroeck, Martha Johnston, Elsie Bengston and Rosemary Abbott. Mrs. Bengston was voted Chairman and Rosemary Abbott was voted Secretary.

The Committee has held six (6) public meetings officially noted on the Town Hall Calendar. It has had the following speakers come to give information:

Mrs. Christine Austin, Head Start Representative
Mr. Arthur Kimber, Executive Director of Barnstable Housing Authority
Mrs. Sandy Szedlak, Director of Eastham Council on Aging
Mrs. Catherine Dodge, Director of Orleans Housing Authority
Mrs. Lucille Carpenter, Outreach Worker for Eastham Council on Aging

In addition, the Committee members have consulted with representatives of the Housing Assistance Corp., Cape Cod Planning and

Economic Development Commission, Brewster Housing Authority and Mr. Daniel Shay, Principal of Eastham Elementary School.

All the information the Committee received indicated there is a need for publicly assisted housing for elderly low-income and young low-income families in Eastham. At present, there is no facility for the elderly who can no longer maintain their homes or for young families to stay in Eastham.

The instrument to address these needs is a local Housing Authority. The members of the Housing Authority Study Committee have decided to recommend that a Housing Authority would benefit the Town. A motion was passed unanimously by the Committee "To recommend to Town Meeting that Eastham establish a Housing Authority".

The Committee would like to comment further that although at this point a Housing Authority cannot meet the needs of middle income families and young single adults the Town should become involved in finding solutions for these groups who are also affected by increased housing costs.

REPORT OF THE GOVERNMENT STUDY COMMITTEE

The Government Study Committee was established by the 1985 Annual Town Meeting to study the feasibility of an "Executive Secretary" in the office of the Board of Selectmen and to report with recommendations regarding the same to the 1986 Annual Town Meeting. The committee was constituted and convened by the Board of Selectmen. It has met and commenced interviews looking forward to making its report to the 1986 Town Meeting.

Report of the Eastham Golf Commission

At the annual Town Meeting in May 1985, by a hand count vote of 259 Yes and 185 No, this Commission was created. The Moderator appointed the undersigned as members, all of whom were duly sworn by the Town Clerk. At the same meeting, by a unanimous voice vote, \$4500 was raised and appropriated for the purpose of preliminary testing consultants fees.

The organizational meeting was held on June 26, 1985, and William Hokkanen was elected Chairman, and John S. Ahern as Clerk.

Commissioner Gosselin made available to us the complete set of records and data of the '84-'85 Golf Study Committee, and each Commissioner took these records to his home for study and review. There was among these papers a plan for a golf course prepared for the Town in 1971 on a site located off Ocean View Drive on a parcel of Town owned land, but which has a number of small parcels within it's perimeter owned by the National Seashore. Additionally to build a golf course of 18 holes, which the Commission has determined is the only financially responsible approach, will require a small additional amount of land around the perimeter of the town parcel, which is owned by the Seashore. The commission has reported to the Selectmen that the Ocean View Drive site is the only feasible and viable parcel available for a golf course. Until such time as this site has been aquired by the Town by a land swap with the Seashore, the Commissioners feel they should not expend the appropriated funds for other than their minimal expenses for record keeping, postage, etc., and they have not done so. We eagerly await the site acquisition, that we may proceed with our assigned task.

Report of Archaeological Survey

Chapters in the Archaeology of Cape Cod, Volumes I and II present results of the Cape Cod National Seashore Archaeological Survey from 1979 to 1981. Further volumes will be published with results of the work completed from 1981 to 1984.

The general goal of the five year survey was an inventory and assessment of the archaeological resources in the Cape Cod National Seashore in order to provide for their effective management and interpretation.

Excavating of specific prehistoric sites was preceded by a general survey of the entire Seashore lands using a multi-stage probability sampling technique which generated an inventory of actual archaeological sites and estimates of probable sites from the testing of a relatively small sample of land areas.

Extensive excavations were carried out in Eastham at Fort Hill, Coast Guard Beach, and around Salt Pond Bay. Many concentrations of artifacts were found including lithic (stone) tools and projectile points, pottery shards, shell, floral, and faunal remains. Detailed descriptions of these archaeological remains and their analysis are included in the two volumes. In cases where sites extended onto town-owned lands, the Eastham Selectmen granted permission for excavation on these lands.

Susan A. Chase, an Eastham native, contributed Chapter 6 in Volume I entitled "The Ethnohistory of Outer Cape Cod.". Many references are made to the local Nauset Indians during the Contact period. She also analysed artifact collections curated at the Eastham Historical Society.

Copies of the two-volume report given to the Eastham Selectmen are available at the Eastham Public Library.

Respectfully submitted,

Marilyn Crary

CENSUS REPORT 1985

This year will be our seventh year mailing our Town Census. In 1985 we conducted the State Census in conjunction with the Town Census.

We mailed out 1,650 census forms and most residents returned them promptly. By June we completed our census and counted 3,870 residents. We have 2,760 registered voters, 1,647 being Independents, 690 Republicans and 423 Democrats. We recorded 650 school age children as of May 1, 1985. Our summer population is approximately 14,500.

We encourage anyone having difficulty completing the census form to call the Registrar or Town Clerk for assistance. If you are unable to come into the Town Hall to vote please call and we will make arrangements to come to your home with an absentee ballot and assist you if necessary.

Thank you for your continued cooperation and once again we will encourage you to call us if you need assistance with the census or your ballot.

Sincerely,

Helen Kreber, Chairman

Lillian Lamperti, Town Clerk

SPECIAL TOWN MEETING WARRANT

Commonwealth of Massachusetts
Barnstable, ss.

To: Donald A. Watson, Police Sergeant of the Town of Eastham,
in the County of Barnstable

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of said Town qualified to vote in Elections and Town affairs to meet at the Nauset Regional High School Auditorium on Thursday, the Seventh day of February, Nineteen Hundred and Eight Five at Seven o'clock in the evening, then and there to act on the following articles in this Warrant:

ARTICLE 1. To see if the Town will vote to transfer the sum of \$10,508.19 received from the Commonwealth for the use of the Natural Resources Department to be available for the propagation and protection of the shellfish located in the waters of Eastham; or take any action relative thereto.

By Board of Selectmen

ARTICLE 2. To see if the Town will vote to authorize the Board of Selectmen to negotiate and execute a multiyear contract with SEMASS for disposal of Eastham's solid waste at a plant to be equipped with scrubbers now required by DEQE at a cost not to exceed \$10.00 additional per ton over the cost of \$14.99 per ton quoted in the contract offer to the Town of Eastham under the date of September 18, 1984; or take any action relative thereto.

By Board of Health

ARTICLE 3. To see if the Town will vote to transfer a sum of money to the Beach Program Operations Account from the Beach Program

Receipts Reserved for Future Appropriations for the purpose of covering the year's remaining costs for the operation of the Beach Program; or take any action relative thereto.

By Board of Selectmen

ARTICLE 4. To see if the Town will vote to transfer and appropriate from available funds a sum of money to the Town Insurance - Town Protection Account for the purpose of paying the year's remaining premiums; or take any action relative thereto.

By Board of Selectmen

ARTICLE 5. To see if the Town will vote to transfer from available funds a sum of money to the Town Insurance Survey Account for the purpose of completing the insurance survey voted under Article 46 of the Annual Town Meeting; or take any action relative thereto.

By Board of Selectmen

ARTICLE 6. To see if the Town will vote to transfer and appropriate from available funds a sum of money to the Treasurer/Collector Office Salary Account; or take any action relative thereto.

By Treasurer/Tax Collector

ARTICLE 7. To see if the Town will vote to transfer and appropriate from available funds a sum of money to a General Maintenance Base Radio Account for the purpose of purchasing a new base radio; or take any action relative thereto.

By Highway Surveyors

ARTICLE 8. To see if the Town will vote to transfer and appropriate from available funds the sum of \$2,827.00 to the Elementary School Operations Account; or take any action relative thereto.

By School Committee

ARTICLE 9. To see if the Town will vote to transfer and appropriate from available funds a sum of money to the Zoning Board of Appeals Expense Account; or take any action relative thereto.

By Zoning Boards of Appeals

ARTICLE 10. To see if the Town will vote to transfer and appropriate from available funds a sum of money to the Wire Inspection Expense Account; or take any action relative thereto.

By Board of Selectmen

ARTICLE 11. To see if the Town will vote to transfer and appropriate from available funds a sum of money to a Computer Equipment Expense Account for the purpose of purchasing a computer system to be used by the Town; or take any action relative thereto.

By Computer Study Committee

ARTICLE 12. To see if the Town will vote to transfer and appropriate from available funds a sum of money to the Snow & Sanding Salary Account for the purpose of paying the year's remaining salaries; or take any action relative thereto.

By Highway Surveyors

ARTICLE 13. To see if the Town will vote to authorize the Board of Selectmen to negotiate and execute a lease with the Friends of the Council on Aging, Inc., a non-profit corporation organized under the laws of the Commonwealth of Massachusetts, for Town-owned property on Nauset Road for the purpose of allowing said corporation to construct a

building to be used by the senior citizens of the Town of Eastham; or take any action relative thereto.

By Board of Selectmen

ARTICLE 14. To hear the reports of committees and to do or act on anything which may legally come before this meeting.

By Anonymous

You are directed to serve this warrant by posting attested copies thereof at the Post Office in Eastham and the Post Office in North Eastham fourteen days at least before the date of holding said meeting.

Hereof, fail not and make due return of this Warrant and your doings thereon to the Town Clerk at the time and place of holding said meeting.

Given under our hands and seals this Twenty-Third day of January in the year of our Lord, One Thousand Nine Hundred and Eighty-Five.

Howard W. Quinn, Chairman
Rudolph E. Zannoni
Wallace Ruckert
BOARD OF SELECTMEN

A True Copy Attest:
Lillian Lamperti, Town Clerk

Pursuant to the foregoing warrant, I have posted attested copies at the Post Office in Eastham and in North Eastham 10 days before said meeting.

Donald Watson
Sergeant

RESOLUTION

WHEREAS: The calendar year of One Thousand Nine Hundred Eight Five is the Tercentenary Birthday of the County of Barnstable, and

WHEREAS: the County of Barnstable and the Town of Eastham have, over the years, joined to complete many years of benevolent service to the Commonwealth of Massachusetts, and

WHEREAS: jointly we have prospered through this mutual association,

THEREFORE: be it resolved that we, the voters of the Town of Eastham, here assembled for the purpose of conducting the Town Meeting business, do recognize this year of One Thousand Eighty Five as the Tercentenary birthday of the County of Barnstable, and

THEREFORE: be it further resolved that the several Towns of the County of Barnstable join the County of Barnstable in recognizing this anniversary date through celebration and joyous gatherings, festivities and other methods of celebration throughout the year of One Thousand Nine Hundred Eighty Five together with the Town of Eastham, and

THEREFORE: let this resolution be spread upon the records of the Town of Eastham as recognition of this historic occasion in the joint existence of the Town of Eastham, the County of Barnstable and the Commonwealth of Massachusetts.

By Board of Selectmen

Resolution presented by Cae Barton for the Eastham Forum-

Whereas Eastham is growing at an unprecedented rate, and

Whereas the last major zoning changes occurred in 1963

Therefore, we request the Selectmen and the Planning Board to bring forth the proposed revisions of the zoning by-laws by June 1, 1985 for public review and comment, and for consideration at a Special Town Meeting no later than October 31, 1985.

Passed by Majority voice vote

There being no objections the reading of the minutes was omitted.

There being no further business to come before Town Meeting, the meeting was dissolved at 8:45 p.m.

A True Copy Attest:

Lillian Lamperti
Town Clerk

SPECIAL TOWN MEETING MINUTES

February 7, 1985

Pursuant to the provisions of the foregoing warrant, the voters assembled in the Nauset Regional High School Auditorium, and there being a quorum present, the meeting was called to order by the Moderator, Ralph L. Earle at 7:00 p.m.

The call and service of the town meeting were read by the Town Clerk and there being no objections, the reading of the articles was omitted.

Norris Shook and Jack Clarke were appointed tellers and sworn to the faithful performance of their duties.

Article 1. Voted: to transfer the sum of \$10,508.19 received from Commonwealth for the use of the Natural Resources Department to be available for the propagation and protection of the shellfish located in the waters of Eastham.

Unanimous voice vote

Article 2. Voted: to authorize the Board of Selectmen to negotiate and execute a multi-year contract with SEMASS for disposal of Eastham's solid waste at a plant to be equipped with scrubbers now required by DEQE at a cost not to exceed \$10.00 additional per ton over the cost of \$14.99 per ton quoted in the contract offer to the Town of Eastham under the date of September 18, 1984. Mr. Donald Sander presented a report on the contract, process and planning of this project.

Unanimous voice vote

Article 3. Voted: to transfer the sum of \$9500.00 to the Beach Program Operations Account from the Beach Program Receipts Reserved

for Future Appropriations for the purpose of covering the year's remaining costs for the operation of the Beach Program.

Unanimous voice vote

Article 4. Voted: to transfer \$7352.00 from available funds to the Town Insurance-Town Protection Account for the purpose of paying the year's remaining premiums.

Unanimous voice vote

ARTICLE 4 To see if the Town will vote to authorize the Town Treasurer with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue and/or reimbursements of the fiscal year beginning July 1, 1985, in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes for a period of less than one year, in accordance with the provisions of the General Laws, Chapter 44, Section 17.

By Eastham Library Trustees

ARTICLE 5 To see if the Town will vote to designate the Tax Collector of the Town of Eastham as the "Town Collector" as defined in Section 38A of Chapter 41 of the General Laws of Massachusetts, empowering

such Town Collector to collect all amounts due the Town; or take any action relative thereto.

By Tax Collector

ARTICLE 6 To see if the Town will vote to authorize the Board of Selectmen to issue non-transferable seasonal vehicle identification stickers for use at parking lots on certain town-owned lands, as specified by the Board of Selectmen, such stickers to be issued to the taxpayers of the Town at no cost to them, to their guests at a cost of \$10.00 for one week, \$15.00 for two weeks, \$20.00 for three weeks, \$25.00 for one month, \$30.00 for the season, and to all others at a cost of \$5.00 per day, which if purchased on Sunday will apply toward any of the above; and transfer \$51,505.00 from the Beach Fund Account for the Fiscal Year 1985 for the purpose of purchasing stickers, providing clerical hire, information, maintenance, and policing the specified town-owned land; and that all monies received from said stickers shall go into a fund known as the Beach Fund Account, said fund to be reserved for future appropriation for beach expenses and maintenance; or take any action relative thereto.

By Board of Selectmen

ARTICLE 7 To see if the Town will vote to raise and appropriate or to transfer from available funds \$346.40 for Greenhead Fly Control as authorized by Section 24, Chapter 252 of the General Laws, and authorize the Town Treasurer to pay said appropriation in the State Treasury; or take any action relative thereto.

By Board of Selectmen

ARTICLE 8 To see if the Town will vote to amend the present By-Laws entitled "Vehicles on Beaches". Section 3, by deleting the date "June 30, 1985" and inserting in place thereof the date "June 30, 1986"; or take any action relative thereto.

By Board of Selectmen

ARTICLE 9 To see if the Town will assume liability in the manner provided by Sections 29 and 29A of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by the Department of Environmental Quality Engineering of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tidewaters, foreshores and shores along a beach. (including the Merrimack and Connecticut Rivers), in accordance with Section II of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefore to the Commonwealth.

By Board of Selectmen

ARTICLE 10 To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds the sum of \$10,000.00 for the purpose of further accruing funds to cover the unfunded cost liability and amortization of the unfunded vested benefits incurred by the Town's participation in Barnstable County Retirement System; and further to authorize the Board of Selectmen to direct the Treasurer to invest this sum, together with funds previously transferred and appropriated toward this purpose, in a high-yield interest account; or take any action relative hereto.

By Board of Selectmen

ARTICLE 11 To see if the Town will vote to raise and appropriate or transfer and appropriate from available funds a sum of money for the purpose of reshingling the Town Wind Mill; or take any action hereto.
By Board of Selectmen

By Board of Selectmen

ARTICLE 12 To act on the Operating Budget, including recommendations and reports of the Selectmen, Finance Committee and other Town Officials, and to see if the Town will vote to raise and appropriate or transfer from the Federal Revenue Sharing Bank Account, the Overlay Surplus Account, Waterways Management Fund, or the Olde Mill Operating Account and from other available funds and accounts sums of money for the same; or take any action relative thereto.

By Board of Selectmen

The Conservation Commission

ARTICLE 27 To see if the Town will vote to establish a Golf Commission for the Town of Eastham and direct the Moderator to appoint five (5) voters of the Town in the following manner: two members to terms of three years each; two members to terms of two years each; and one member for the term of one year; or take any action relative thereto.

By Golf Study Committee

ARTICLE 28 To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$4,500.00 to be expended under the direction of the Golf Commission for the purpose of preliminary testing and consultants fees; or take any action relative thereto.

By Golf Study Committee

ARTICLE 29 To see if the Town will vote to raise and appropriate or transfer from available funds a sum of \$636.00 to purchase a typewriter for use in the Selectmen's Department; or take any action relative thereto.

By Board of Selectmen

ARTICLE 30 To see if the Town will vote to raise and appropriate or to transfer from available funds the sum of \$5,000.00 for the purpose of maintenance and repairs at Rock Harbor; or take any action relative thereto.

By Board of Selectmen

ARTICLE 31 To see if the Town will vote to direct the Board of Selectmen to petition the State Legislature for a Special Act that would authorize the Town of Eastham to recall elected officials, a copy of which follows:

**AN ACT AUTHORIZING THE TOWN OF EASTHAM
TO RECALL ELECTED OFFICIALS**

Be it enacted, etc., as follows:

SECTION 1. Any holder of an elective office in the Town of Eastham may be recalled, and removed therefrom by the qualified voters of said Town as herein provided.

SECTION 2. Any qualified voter of the Town of Eastham may file with the Town Clerk of said Town an affidavit containing the name of the officer sought to be recalled and a statement of the grounds of recall. Said Town Clerk shall thereupon deliver to the voter making such affidavit a sufficient number of copies of petition blanks demanding such recall, printed forms of which he shall keep on hand. The blanks shall be issued by the Town Clerk with his signature and official seal attached thereto; they shall be dated and addressed to the selectmen of said Town, shall contain the name of the person sought to be recalled, the grounds of recall as so issued, the name of the person to whom issued, the number

of blanks so issued, the name of the person sought to be recalled, grounds of recall as stated in said affidavit, and shall demand the election of a successor to such office. A copy of the petition shall be entered in a record book to be kept in the office of the Town Clerk. Said recall petition shall be returned and filed with said Town Clerk within twenty days after the filing of the affidavit. Said petition before being returned and filed shall be signed by twenty percent (20%) of the qualified voters in said Town, and to every signature shall be added the place of residence of the signer, giving the street and number. The said recall petition shall be submitted, at or before five o'clock in the afternoon of the Monday preceding the day on which it must be filed, to the registrars of voters in said Town, and the registrars shall forthwith certify thereon the number of signatures which are names of voters in said town.

SECTION 3 If the petition shall be found and certified by said Town Clerk to be sufficient, he shall submit the same with his certificate to said selectmen without delay and said selectmen shall forthwith give written notice to said officer of the receipt of said certificate and shall, if the officer sought to be removed does not resign within five days thereafter, thereupon order an election to be held on a date fixed by them not less than twenty-five days after the date of the Town Clerk's certification that a sufficient petition is filed; provided, however, that if any other Town election is to occur within sixty days after the date of said certificate, said selectmen may, in their discretion postpone the holding of said recall election to the date of such other election. If a vacancy occurs in said office after a recall election has been so ordered, the election shall nevertheless proceed as in this section provided.

SECTION 4 Any officer-sought to be recalled may be a candidate to succeed himself, and, unless he requests otherwise in writing, said Town Clerk shall place his name on the official ballot without nomination. The nomination of other candidates, the publication of the warrant for the recall election, and the conduct of the same, shall all be in accordance with the provisions of law relating to elections, unless otherwise provided in this act. A majority of those voting at the recall election shall be sufficient to recall such elected officer.

SECTION 5 The incumbent shall continue to perform the duties of his office until the recall election. If then re-elected, he shall continue in office for the remainder of his unexpired term, subject to recall as before, except as provided in section seven. If not re-elected in the recall election, he shall be deemed removed upon the qualification of his

successor, who shall hold office during the unexpired term. If the successor fails to qualify within five days after receiving notification of his election, the incumbent shall thereupon be deemed removed and the office vacant.

SECTION 6 Ballots used in a recall election in said Town shall submit the following propositions in the order indicated:

For the recall of (name of officer).

Against the recall of (name of officer).

Immediately at the right of each proposition there shall be a square in which the voter by making a cross mark (X) may vote for either of such propositions. Under the proposition shall appear the word "Candidates" and the direction "Vote for One" and beneath this the names of candidates nominated as hereinbefore provided. In case of machine voting, or punch card balloting, or other forms of balloting, appropriate provisions shall be made to allow the same intent of the voter.

SECTION 7 No recall petition shall be filed against an officer of said Town within six months after he takes office, nor in the case of an officer subjected to a recall election and not removed thereby, until at least six months after that election.

SECTION 8 No person who has been recalled from an office in said Town, or who has resigned from office while recall proceedings were pending against him, shall be appointed to any Town office within two years after such removal by recall or resignation.

If a majority of the votes cast on the recall question is in the affirmative, then the candidate that received the highest number of votes in the special election to fill the vacancy shall be elected. If a majority of the votes on the question is in the negative, the ballots for candidates to fill the potential vacancy need not be counted.;

or take any action relative thereto.

By Board of Selectmen

ARTICLE 32 To see if the Town will vote to instruct the Board of Selectmen to lay out and present to a future Town Meeting. The way

known as "Hoffman", and further to raise and appropriate or transfer from available funds a sum of money for funding expenses relative to this action; or take any action relative thereto.

By Highway Surveyors

ARTICLE 33 To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$4,476.20 for the purchase of a new copy machine to be used in Town Hall; or take any action relative thereto.

By Board of Selectmen

ARTICLE 34 To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of five (5) to investigate and report to the next Town Meeting, the advisability of appointing or electing a Housing Authority for the Town of Eastham; or take any action relative thereto.

By Board of Selectmen

ARTICLE 35 To see if the Town will vote to authorize the Board of Selectmen to exchange a parcel of Town-owned land lying between Walnut Avenue and Chester Avenue and adjacent to Chester Avenue in Eastham and being shown as Lots 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, and "A" and the unnumbered lot adjacent to 12, containing .01 acres, all located in Block 15 of the Eastham Assessor's Maps, which lots were acquired by tax taking, for one lot of land owned by Robert J. Erickson, Trustee of Mallebarre Realty Inc., which land is shown as Block 23, Lot 4B on the Eastham Assessor's Maps and being further described in Book 1464, Page 672, in Barnstable County Registry of Deeds; or take any action relative thereto.

By Board of Selectmen

ARTICLE 36 To see if the Town will vote to request the Board of Selectmen to consider issuing free shellfish permits to non-resident

taxpayers of the Town of Eastham who are 65 years of age or older, or take any action relative thereto.

By request of Leonhard Korngold et al

ARTICLE 37 To see if the Town will vote to ammend the Zoning By-law by adding "Section IX Flood Plain Zoning" and renumbering the remaining sections in proper sequence:

SECTION IX FLOOD PLAIN ZONING

A. Permits for new construction, alteration, of structures, or other development (any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations), at or below the Base Flood Elevation as specified with the A and V zones, as determined by the Flood Insurance Rate Maps, numbers 25006 0001 - 0005, shall be approved subject to the following:

1. New construction or substantial improvement (repair, construction or alteration costing 50% or more of the market value of the structure before improvement, or if damaged, before damage occurred) of residential structures shall have the lowest floor (including basement) elevated to not less than base flood elevations. New construction or substantial improvement of nonresidential structures shall either be similarly elevated or, together with attendant utility and sanitary facilities, be flood-proofed to not less than base flood elevations.

2. Where floodproofing is utilized in accordance with Section 1, a registered engineer or architect shall certify that the floodproofing methods are adequate to withstand the flood depths, pressures, velocities, impact and uplift forces and other factors associated with the base flood.

3. Any new construction or substantial improvement to be undertaken within said district shall be in accordance with the Massachusetts Uniform Building Code, Section 748.0 The Building Inspector shall (a) review all proposed development within the flood district to assure that all necessary permits have been received from those governmental agencies from which approval is required by

Federal or State law, including Section 404 of the Federal Water Pollution Acts Amendments of 1972, U.S.C. 1334; (b) obtain and maintain records of elevation and floodproofing levels for new construction or substantial improvement within the flood district.

4. Any new construction, alteration of structures or other development which is removed from the A or V zones by subsequent flood insurance map amendments shall only have to meet the requirements of its new zone designation.

5. All subdivision proposals and other proposed new developments greater than five (5) acres shall include within such proposals base flood elevation data.

6. Subdivision proposals and proposals for other developments, including their utilities and drainage, are located and designed to be consistent with the need to minimize flood damage.

7. No land area within areas designated as V (velocity) zones on the F.I.A. Flood Insurance Rate Maps shall be developed unless such development is demonstrated by the applicant to be located landward of the reach of the mean high tide. All new construction and substantial improvement within the V zones shall be (a) located on adequately anchored pilings or columns, and securely anchored to such piles or columns so that the lowest portion of the structural members of the lowest floor (excluding the pilings or columns) is elevated to or above the base flood elevation; and (b) certified by a registered professional engineer or architect that the structure is securely anchored to adequately anchored pilings or columns in order to withstand velocity waters and hurricane wave wash. The following shall be prohibited.

- a. Any man-made alteration of sand dunes and salt marshes which might increase the potential for flood damage.
- b. Use of fill.
- c. Mobile homes.

8. The Zoning Board of Appeals may authorize exceptions from flood regulations by Special Permit within the flood areas in accordance with Section VIII (2), as in any other zoning district within

the Town of Eastham, and may grant Special Permit from these requirements in the case of new structures or substantial improvements to be erected on a lot contiguous to and surrounded by lots with existing structures and constructed below the base flood elevation, provided the following are met:

- a. A show of good and sufficient cause.
- b. A determination that failure to grant the Special Permit would result in exceptional hardship to the applicant.
- c. A determination that the Special Permit will not result in increased flood heights, additional threats to public safety, or environment, extraordinary public expense, or any conflict with requirements in accordance with Chapter 40A of the Massachusetts General Laws.
- d. The Zoning Board of Appeals has notified the applicant for the Special Permit, in writing, that the actuarial rates will increase as the first floor elevation decreases, and that such construction below base flood elevation level increases risks to life and property.
- e. Favorable recommendation from the Board of Health on all structures requiring sewerage disposal and/or water supply.

9. Upon the granting of such a Special Permit or permits, from Section VII (s), the Zoning Board of Appeals shall maintain a record of all such special permits granted by the Board, including justification for their issuance, and report such special permits in its annual report to the Flood Insurance Administrator in accordance with the Department of Housing and Urban Development Guidelines.

10. The Zoning Board of Appeals may grant a Special Permit for the reconstruction, rehabilitation or restoration of structures listed on the National Register of Historic Places or the State Inventory of Historic Places without regard to the procedures set forth in Section seven (7) above.

11. Where these flood area provisions impose greater or lesser restrictions or requirements than those of other applicable by-law or regulations, the more restrictive shall apply.

12. The invalidity of any section or provision of this by-law shall not invalidate any other section or provision thereof.;

or take any action relative thereto.

By Board of Selectmen/Planning Board

ARTICLE 38 To see if the Town will vote to amend the Unregistered Motor Vehicle By-Law adopted as Article 33 on February 15, 1965, and amended under Article 68 March 5, 1973, by deleting present wording and substituting the following.

No person shall have more than one unregistered car or truck ungaraged on his premises in any district at any time. In no event will an unregistered, unsightly car or truck be stored in the front yard. A person in a commercial or permissive district whose principal business is the sale or servicing of motor vehicles is exempt from this by-law. Any person found violating this by-law shall be subject to a fine of \$50.00.;

or take any action relative thereto.

By Police Department

ARTICLE 39 To see if the Town will vote to amend the Telephone Alarm By-law adopted as Article 5 on February 10, 1975, by adding the following sentence:

Any person found violating this by-law shall be subject to a fine of \$50.00.;

or take any action relative thereto.

By Police Department

ARTICLE 40 To see if the Town will vote to raise and appropriate the sum of money to be added to the Police Dispatching Accounts and

related accounts for the purpose of hiring two (2) full-time Dispatchers to provide 24-hour dispatching service; or take any action relative thereto.

By Police Department

ARTICLE 41 To see if the Town will vote to raise and appropriate a sum of money for the purchase and equipping of two (2) 1986 Police Cruisers, with one (1) 1985 Police Cruiser to be used in trade; or take any action relative thereto.

By Police Department

ARTICLE 42 To see if the Town will vote to raise and appropriate a sum of money to be apportioned among the Police Salary and the Police Expense Accounts and related accounts for the purpose of hiring and equipping a full-time Patrolman for the Police Department; or take any action relative thereto.

By Police Department

ARTICLE 43 To see if the Town will vote to raise and appropriate a sum of money to hire and equip a full-time Patrolman for the Police Department who will act as a part-time Animal Control Officer and part-time Patrolman under the direction of the Police Department; and further, to transfer the funds voted to the Dog Officer Expense Account under Article 12 to the Police Salary and Police Expense and related accounts in the appropriate proportions for said purpose; or take any action relative thereto.

By Board of Selectmen

ARTICLE 44 To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$15,958.00 for the purchase of equipping a vehicle for the use of the Animal Control Officer under the direction of the Police Department; or take any action relative thereto.

By Board of Selectmen

ARTICLE 45 To see if the Town will vote to raise and appropriate a sum of money to be appropriately allocated to the Fire Salary and Fire Expense accounts and related accounts for the purpose of hiring and equipping two (2) full-time Firefighters; or take any action relative thereto.

By Fire Department

ARTICLE 46 To see if the Town will vote to accept a by-law which reads as follows:

The owner or occupant of any structure or premises required to have fire extinguishers or extinguishing devises tested annually or bi-annually as per 527 CMR: Board of Fire Prevention Regualtions, 10.02: Fire Extinguishers and/or 780 CMR: State Building Code Commission, Article 12 shall forward a copy of the Certificate of Inspection to the head of the Fire Department. Any person violating this by-law shall be punished by a fine of not more than fifty dollars (\$50.00) for each offense:

or take any action relative thereto.

ARTICLE 47 To see if the Town will vote to raise and appropriate the sum of \$1,405.00 to be used for the Emergency Medical Services System Inc.; or take any action relative thereto.

By Fire Department

ARTICLE 48 To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for replacement of the furnace at the Highway Maintenance Garage; or take any action relative thereto.

By Board of Selectmen

ARTICLE 49 To see if the Town will vote to raise and appropriate or transfer from available funds \$3,000.00 for the purpose of contracting for

street sweeping services under the direction of the General Maintenance Department; or take any action relative thereto.

By Highway Surveyors

ARTICLE 50 To see if the Town will vote to raise and appropriate or transfer from available funds or borrow a sum of money for the purchase of a one-ton dump truck for the use of the General Maintenance Department; or take any action relative thereto.

By Highway Surveyors

ARTICLE 51 To see if the Town will vote to raise and appropriate or transfer from available funds or borrow a sum of money for the purchase of a 1/2-ton pickup truck with four-wheel drive for the use of the General Maintenance Department; or take any action relative thereto.

By Highway Surveyors

ARTICLE 52 To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$4,509.00 for the purchase of a new base station radio and portable radios for the General Maintenance Department vehicle; or take any action relative thereto.

By Highway Surveyors

ARTICLE 53 To see if the Town will vote to direct the Highway Surveyors to appoint a committee of five (5) voters of the Town to study the needs of an addition to /or separate building at the Highway Maintenance Garage and report its findings at a future Town Meeting; or take any action relative thereto.

By Highway Surveyors

ARTICLE 54 To see if the Town will vote to raise and appropriate or transfer from available funds or to transfer from the Stabilization Funds the

sum of \$40,000.00 for repair and maintenance of Town-owned roads; or take any action relative thereto.

By Board of Selectmen

ARTICLE 55 To see if the Town will vote to raise and appropriate or borrow or transfer from available funds in the Treasury, the sum of \$25,049.00 for road maintenance, construction and improvements in anticipation of reimbursement of the State-aided road projects for Fiscal Year 1986; or take any action relative thereto.

You are directed to serve this Warrant by posting attested copies thereof at the Post Office in Eastham and the Post office in North Eastham fourteen days at least before the date of holding said meeting.

Hereof, fail not and make due return of this Warrant and your doings thereon to the Town Clerk at the time and place of holding said meeting.

Given under our hands and seals this Twenty-Second day of April in the year of our Lord, One Thousand Nine Hundred and Eighty Five.

Lillian Lamperti, Town Clerk

Howard W. Quinn, Chairman
Rudolph E. Zannoni
Wallace Ruckert
BOARD OF SELECTMEN

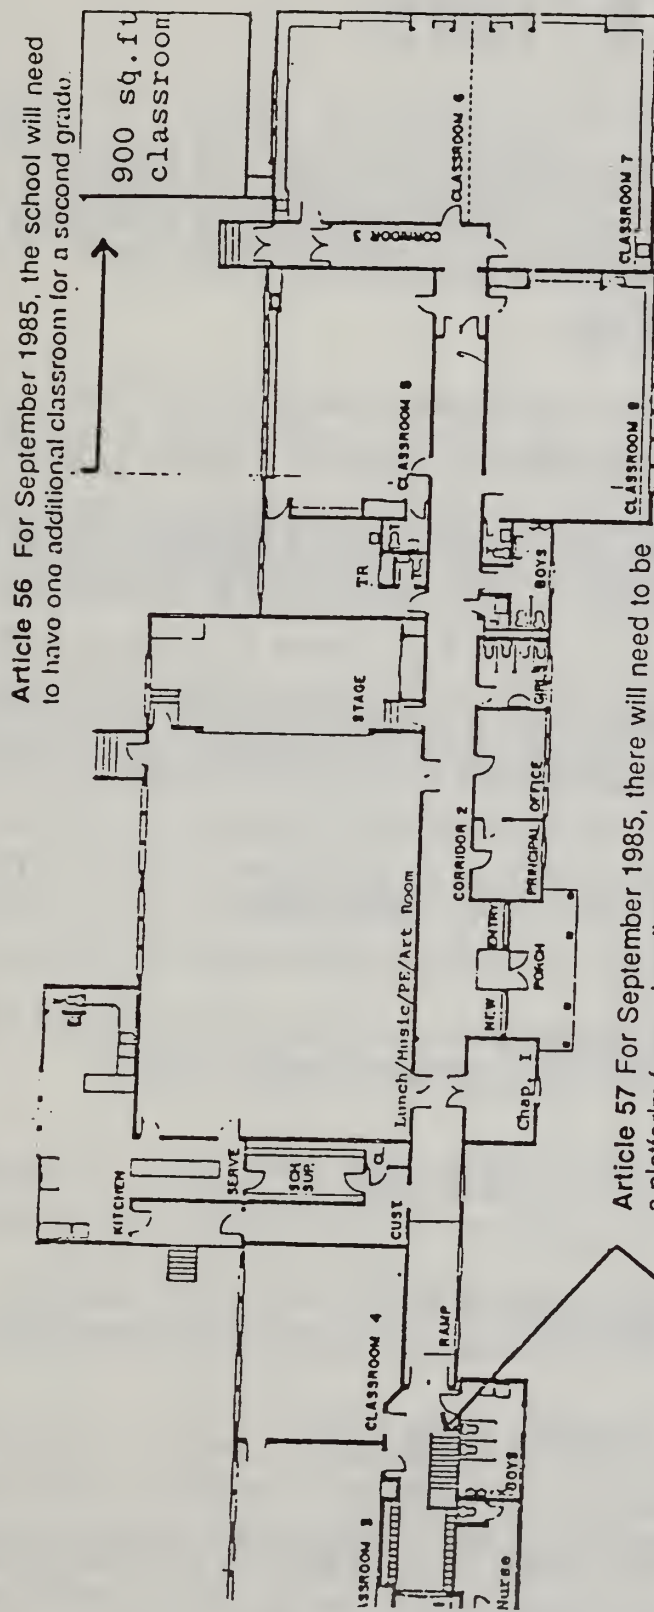

Greetings:

In pursuance of the conditions of the foregoing warrant, I have posted attested copies at the Post Office, Eastham and the Post Office in North Eastham at least seven days before time of said meeting.

Sgt. Donald Watson

A True Copy Attest:

Lillian Lamperti, Town Clerk

EASTHAM ELEMENTARY SCHOOL

Article 57 For September 1985, there will need to be a platform for our handicapped students to have access to the lower level of our building.

Article 58 The Eastham Elementary School has experienced significant growth in student population:

Enrollment:	October 1983	179 students
	October 1984	202 students (+13%)
	October 1985	217 students (+8%)

A Space Needs Study Committee will be formed to report to the Eastham Elementary School Committee by December 1985 with its findings.

Annual Town Meeting Minutes May 6, 1985

Pursuant to the provisions of the foregoing warrant, the voters assembled in the Nauset Regional High School Auditorium, and there being a quorum present, the meeting was called to order by the Moderator, Ralph L. Earle at 7:00 P.M.

The call and service of the town meeting were read by the Town Clerk and there being no objections, the reading of the articles was omitted.

Norris Shook, Jack Clarke and Tad Vautrinot were appointed tellers and sworn to the faithful performance of their duties by the moderator.

Article 1. Voted: to transfer \$1099.06 of the refunded dog tax to the Library Trustees for the purchase of books and materials for the Eastham Public Library.

Unanimous voice vote

Article 2. Voted: to transfer \$1736.00 to the Library Trustees for the purchase of books and materials for the Eastham Public Library.

Unanimous voice vote

Article 3 Voted: to raise and appropriate \$1007.00 to the Library Expense Account for the purchase of books and audio-visual materials

Majority voice vote

Article 4. Voted: to authorize the Town Treasurer with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue and/or reimbursements of the fiscal year beginning July 1, 1985, in accordance with the provisions of the General Laws, Chapter 44

Section 4, and to issue a note or notes as may be given for a period of less than one year, in accordance with General Laws, Chapter 44, Section 17.

Unanimous voice vote

Article 5. Voted: to designate the Tax Collector of the Town of Eastham as the "Town Collector" as defined in Section 38A of Chapter 41 of the General Laws of Massachusetts, empowering such Town Collector to collect all amounts due the Town.

Unanimous voice vote

Article 6. Voted: to authorize the Board of Selectmen to issue non-transferable seasonal vehicle identification stickers for use at parking lots on certain town-owned lands, as specified by the Board of Selectmen, such stickers to be issued to the taxpayers of the Town at no cost to them, to their guests at a cost of \$10.00 for one week, \$15.00 for two weeks, \$20.00 for three weeks, \$25.00 for one month, \$30.00 for the season, and to all others at a cost of \$5.00 per day, which if purchased on Sunday will apply toward any of the above; and transfer \$51,505.00 from the Beach Fund Account for information, maintenance, and policing the specified town-owned land; and that all monies received from said stickers shall go into a fund known as the Beach Fund Account, said fund to be reserved for future appropriation for beach expenses and maintenance.

Unanimous voice vote.

Article 7. Voted: to raise and appropriate \$346.40 as authorized by Section 24, Chapter 252 of the General Laws for Greenhead Fly Control.

Unanimous voice vote

Article 8. Voted: to amend the present By-Laws entitled "Vehicles on Beaches", Section 3, by deleting the date "June 30, 1985" and inserting in place thereof the date "June 30, 1986".

Unanimous voice vote

Article 9. Voted: to assume liability in the manner provided by Sections 29 and 29A of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by the Department of Environmental Quality Engineering of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tidewaters, foreshores and shores along a beach, (including the Merrimack and Connecticut Rivers) in accordance with Section II of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefore to the Commonwealth.

Unanimous voice vote

Article 10. Voted: to raise and appropriate \$5000.00 for the purpose of further accruing funds to cover the unfunded cost liability and amortization of the unfunded vested benefits incurred by the Town's participation in Barnstable County Retirement System; and further to authorize the Board of Selectmen to direct the Treasurer to invest this sum, together with funds previously transferred and appropriated toward this purpose, in a high-yield interest account

Unanimous voice vote

Article 11. Voted: to indefinitely postpone taking any action on re-shingling the Town Wind Mill.

Unanimous voice vote

Article 12. Voted: to set the FY 86 budget with the various line items as requested by the department heads and transfer and appropriate \$88,733.17 from Federal Revenue Sharing Accounts for Police Salaries; transfer and appropriate \$30,000.00 from the Overlay Surplus Account to the Reserve Fund Account; and transfer and appropriate \$1008.45 from the Olde Mill Receipts Reserved for Future Appropriation to the Olde Mill Salary Account; transfer and appropriate \$1259.00 from the Waterways Management Fund to the Harbors and Landings Salary Account; and raise and appropriate \$3,246,451.88 for the remaining line item budget accounts.

Unanimous voice vote

Unanimous voice vote

Article 30. Voted: to raise and appropriate \$5000.00 for the purpose of maintenance and repairs to Rock Harbor.

Hand Count 116 Yes 109 No

Article 31. Voted: An Act Authorizing the Town of Eastham to Recall Elected Officials

Be it enacted, etc., as follows:

Section 1. Any holder of an elective office in the Town of Eastham may be recalled, and removed therefrom by the qualified voters of said Town as herein provided.

Section 2. Any qualified voter of the Town of Eastham may file with the Town Clerk of said Town an affidavit containing the name of the officer sought to be recalled and a statement of the grounds of recall. Said Town Clerk shall thereupon deliver to the voter making such affidavit a sufficient number of copies of petition blanks demanding such recall, printed forms of which he shall keep on hand. The Blanks shall be issued by the Town Clerk with his signature and official seal attached thereto; they shall be dated and addressed to the selectmen of said Town, shall contain the name of the person to whom issued, the number of blanks so issued, the name of the person sought to be recalled, the grounds of recall as stated in said affidavit, and shall demand the election of a successor to such officer. A copy of the petition shall be entered in a record book to be kept in the office of the Town Clerk. Said recall petition shall be returned and filed with said Town Clerk within twenty days after the filing of the affidavit. Said petition before being returned and filed shall be signed by twenty per cent (20%) of the qualified voters in said Town, and to every signature shall be added the place of residence of the signer, giving the street and number. The said recall petition shall be submitted, at or before five o'clock in the afternoon of the Monday preceding the day on which it must be filed, to the registrar of Voters in said Town, and the registrars shall

forthwith certify thereon the number of signatures which are names of voters in said Town.

Section 3. If the petition shall be found and certified by said Town Clerk to be sufficient, he shall submit the same with his certificate to said selectmen without delay and said selectmen shall forthwith give written notice to said officer of the receipt of said certificate and shall, if the officer sought to be removed does not resign within five days thereafter, thereupon order an election to be held on a date fixed by them not less than twenty-five days after the date of said certificate, said selectmen may, in their discretion, postpone the holding of said recall election to the date of such other election. If a vacancy occurs in said office after a recall election has been so ordered, the election shall nevertheless proceed as in this section provided.

Section 4. Any officer sought to be recalled may be a candidate to succeed himself, and, unless he requests otherwise in writing, said Town Clerk shall place his name on the official ballot with nomination. The nomination of other candidates, the publication of the warrant for the recall election, and the conduct of the same, shall all be in accordance with the provisions of law relating to elections, unless otherwise provided in this act. A majority of those voting at the recall election shall be a sufficient to recall such elected officer.

Section 5. The incumbent shall continue to perform the duties of his office until the recall election. If then re-elected, he shall continue in office for the remainder of his unexpired term, subject to recall as before, except as provided in section seven. If not re-elected in the recall election, he shall be deemed removed upon the qualification of his successor, who shall hold office during the un-expired term. If the successor fails to qualify within five days after receiving notification of his election, the incumbent shall thereupon be deemed removed and the office vacant.

Section 6. Ballots used in a recall election in said Town shall submit the following propositions in the order indicated:

For the recall of (name of officer)
Against the recall of (name of officer)

Immediately at the right of each proposition there shall be a square in which the voter by making a cross mark (X) may vote for either of such

propositions. Under the proposition shall appear the word "Candidates" and the direction "Vote for One" and beneath this the names of candidates nominated as hereinbefore provided. In case of machine voting, or punch card balloting, or other forms of balloting, appropriate provisions shall be made to allow the same intent of the voter.

Section 7. No recall petition shall be filed against an officer of said Town within six months after he takes office, nor in the case of an officer subjected to a recall election and not removed thereby, untill at least six months after that election.

Section 8. No person who has been recalled from an office in said Town, or has resigned from office while recall proceedings were pending against him, shall be appointed to any Town office within two years after such removal by recall or resignation.

If a majority of the votes cast on the recall question is the affirmative, then the cadidate that received the highest number of votes in the special election to fill the vacancy shall be elected. If a majority of the votes on the question is in the negative, the ballots for candidtates to fill the potential vacancy need not be counted.

Unanimous voice vote

Article 32. Voted: to deny instructing the Board of Selectmen to lay out and present to a future Town Meeting, the way known as "Hoffman", and further to fund expenses relative to this action.

Failed by a majority voice vote

Article 33. Voted: to raise and appropriate \$3676.20 for the purchase of a new copy machine to be used in the Town Hall.

Unanimous voice vote

Article 34. Voted: to authorize the Board of Selectmen to appoint a committee of five (5) to investigate and report to the next Town Meeting, the advisability of appointing or electing a Housing Authority for the Town of Eastham.

Unanimous voice vote

Section 7. No recall petition shall be filed against an officer of said Town within six months after he takes office, nor in the case of an officer subjected to a recall election and not removed thereby, until at least six months after that election.

Section 8. No person who has been recalled from an office in said Town, or has resigned from office while recall proceedings were pending against him, shall be appointed to any Town office within two years after such removal by recall or resignation.

If a majority of the votes cast on the recall question is the affirmative, then the candidate that received the highest number of votes in the special election to fill the vacancy shall be elected. If a majority of the votes on the question is in the negative, the ballots for candidates to fill the potential vacancy need not be counted.

Article 36. Voted: to deny requesting the Board of Selectmen to consider issuing free shellfish permits to non-resident taxpayers of the Town of Eastham who are 65 years of age or older.

Majority voice vote

Article 37. Voted: to amend the Zoning By-Law by adding "Section IX Flood Plain Zoning" and renumbering and remaining sections in proper sequence:

SECTION IX FLOOD PLAIN ZONING

A. Permits for new construction alteration of structures, or other development (any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations), at or below the Base Flood Elevation as specified with the A and V zones, as determined by the Flood Insurance Study and as designed on special F.I.A. Flood Insurance Rate Maps, numbers 25006 0001 - 0005, shall be approved subject to the following:

1. New construction or substantial improvement (repair, construction or alteration costing 50% or more of the market value of the structure before improvement, or if damaged, before damage occurred) of residential structures shall have the lowest floor (including basement) elevated to not less than base flood elevations. New construction or substantial improvement of non-residential structures shall either be similarly elevated or, together with attendant utility and sanitary facilities, be flood-proofed to not less than base elevations.

2. Where floodproofing is utilized in accordance with Section 1, a registered engineer or architect shall certify that the floodproofing methods are adequate to withstand the flood depths, pressures, velocities, impact and uplift forces and other factors associated with the base flood.

3. Any new construction or substantial improvement to be undertaken within said district shall be in accordance with the Massachusetts Uniform Building Code, Section 748.0 The Building Inspector shall (a) review all proposed development within the flood district to assure that all necessary permits have been received from those governmental agencies from which approval is required by Federal or State law, including Section 404 of the Federal Water Pollution Acts Amendments of 1972, U.S.C. 1334; (b) obtain and maintain records of elevation and floodproofing levels for new construction or substantial improvement within the flood district.

4. Any new construction, alteration of structures or other development which is removed from the A or V zones by subsequent flood insurance map amendments shall only have to meet the requirements of its new zone designation.

5. All subdivision proposals and other proposed new developments greater than five (5) acres shall include within such proposals base flood evaluation data.

6. All subdivision proposals and proposals for other developments, including their utilities and drainage, are located and designed to be consistent with the need to minimize flood damage.

7. No land area within areas designated as V (velocity) zones on the F.I.A. Flood Insurance Rate Maps shall be developed unless such development is demonstrated by the applicant to be located landward of the reach of the mean tide. All new construction and substantial improvement within the V zones shall be (a) located on adequately anchored pilings or columns, and securely anchored to such piles or columns so that the lowest portion of the structural members of the lowest floor (excluding the pilings or columns) is elevated to or above the base flood elevation; and (b) certified by a registered professional engineer or architect that the structure is securely anchored to adequately anchored pilings or columns in order to withstand velocity waters and hurricane wave wash. The following shall be prohibited:

a. Any man-made alteration of sand dunes and salt marshes which might increase the potential for flood damage.

b. Use of fill.

c. Mobile homes.

8. The Zoning Board of Appeals may authorize exceptions from flood regulations by Special Permit within the flood areas in accordance with Section VIII (2), as in any other zoning district within the Town of Eastham, and may grant Special Permit from these requirements in the case of new structures or substantial improvements to be erected on a lot contiguous to and surrounded by lots with existing structures and constructed below the base flood elevation, provided the following are met:

a. A show of good and sufficient case.

b. A determination that failure to grant the Special Permit would result in exceptional hardship to the applicant.

c. A determination that the Special Permit will not result in increased flood heights, additional threats to public safety, or environment, extraordinary public expense, or any conflict with requirements in accordance with Chapter 40A of the Massachusetts General Laws.

d. The Zoning Board of Appeals has notified the applicant for the Special Permit, in writing, that the actuarial rates will increase as the first floor elevation decreases, and that such construction below base flood elevation level increases risks to life and property.

e. Favorable recommendation from the Board of Health on all structures requiring sewerage disposal and/or water supply.

9. Upon the granting of such a Special Permit or permits, from Section VII (2), the Zoning Board of Appeals shall maintain a record of all such special permits granted by the Board, including justification for their issuance, and report such special permits in its annual report to the Flood Insurance Administration in accordance with the Department of Housing and Urban Development Guidelines.

10. The Zoning Board of Appeals may grant a Special Permit for the reconstruction, rehabilitation or restoration of structures listed on the National Register of Historic Places or the State Inventory of Historic Places without regard to the procedures set forth in Section seven (7) above.

11. Where these flood area provisions impose greater or lesser restrictions or requirements than those of other applicable by-laws or regulations, the more restrictive shall apply.

12. The invalidity of any section or provision of this by-law shall not invalidate any other section or provision thereof.

ECONOMIST - CONSERVATIONIST - and FRIEND

Town of Eastham

RESOLUTION AS READ AT THE ANNUAL TOWN MEETING
held May 7, 1985:

Once again the town has been honored and very well served by the continued service of a dedicated volunteer. We feel strongly that at this time this dedication should not go unrecognized.

For seven years the expertise this person has contributed to the town has been unique to the committee's work.

Tonight this Board is pleased to bring these facts to your attention and request that you hereby, make note of the fact that tonight marks the end, because of our By-Laws, a long and sincerely dedicated person's work for this town.

We therefore take pleasure in commending to you, for proper recognition of seven years of unfailing dedication as a member of the Eastham Finance Committee.

It is my pleasure on behalf of Eastham to say - Thank You - Lawrence Dettenborn.

Howard W. Quinn, Chairman

Rudolph E. Zannoni

Wallace Ruckert

BOARD of SELECTMEN

SPECIAL TOWN MEETING WARRANT

Commonwealth of Massachusetts
Barnstable, ss

To Richard Hedlund, Police Patrolman of the Town of Eastham,
